

**THEME 1: What do we “see”?**

**“Blindness” and “vision” in our parish**

**“Blindness” in our parish**

*If the film had been about our parish,  
what “blindness” would it have revealed?*

*What would we like to be doing as a parish  
[four years from now]  
that we are not doing at the moment?*

**“Vision” in our parish**

*If the film had been about our parish,  
what “vision” would it have revealed?*

*What are we doing as a parish today  
that [four years ago]  
we were not doing?*
